About Claudia

Claudia is passionate about assisting individuals to harmonize and empower all areas of their lives by transforming their interior and exterior environment. By using Feng Shui, Space clearing and space organization, she helps clients break down barriers that may be preventing them from realizing their full potential. She strongly believes in creating a space that is in alignment with supporting each person's dreams.

Claudia has studied different schools of Feng Shui including Pranic Feng Shui, Black Hat and others. She also has a diverse and expert background in Aura Soma, Aromatherapy, Massage Therapy, Pranic Healing, Flower Essences and Homeopathy. She integrates her unique blend of knowledge and training into each session. Consultation can include home or business and is personalized to meet the specific needs of the client.
